NOTE: Submitting an Armor Academy Student Application and paying the \$75 Application Fee/student does NOT guarantee your child(ren) will be accepted into the Academy. Our classroom space and educational resources are limited and many more students apply than we can accommodate; the Academy is therefore obligated to accept children whom we prayerfully believe have the best opportunity to succeed in this unique "self-paced" learning environment. Accordingly, we may: 1) place your child on our "waiting list", or 2) refer you to another local Christian school. After your Application has been processed, you will be notified if your child has been accepted and you may then begin the Student Registration process. We thank you for your patience and understanding during this Application process.
